bone-in

"Hey," I said to Felicia, "are you okay?"

Our new hire had lost her color. Apparently my tutorial on the butcher's trade hadn't agreed with her. The poor girl looked like she was about to hurl.

"I think—I'm gonna'—be—sick."

She rushed to the restroom, abandoning me there at the stainless steel work table. I shook my head in dismay. Training a new employee never failed to try my patience; this went double for Felicia, a naïve college student with hardly any real life work experience. Today was her first day at the specialty meat counter. I probably shouldn't have hired her in the first place. But she was a stellar piece of eye candy and I just couldn't resist. Cutting and packaging meat all damned day could get awfully dull. Having a choice piece of ass like Felicia for a coworker would surely brighten up the place.

Or so I had thought while interviewing her for the part-time position. Now, in light of her weak stomach, I had my doubts . . .

Felicia returned shortly. "Sorry about that, Mr. Snyder."

"It's okay. And don't worry. You'll get used to it."

"I sure hope so. It's just so—bloody."

"Could be worse."

"How so?"

"Well," I replied, "you could be carving cadavers at the county

morgue."

"This is true," Felicia said.

Then she laughed. She had a nice laugh. Hell, who am I kidding? She had a nice everything. Too bad it was concealed inside a white butcher's coat.

As the day wore on I found it increasingly difficult to focus on the work at hand. Being so close to Felicia was driving me nuts. In a good way, of course.

Thankfully she suffered no more spells of nausea. She seemed to have gotten used to the bloody meat, the greasy fat. And, despite my initial concerns, she turned out to be a fast learner. The sharp knives and cleavers and saws didn't intimidate her in the least.

She was good with the customers, too. I felt okay about the whole thing; felt certain that I had made the right decision.

Felicia's shift was almost over. I could've let her twiddle her thumbs for the final fifteen minutes of her first day, but I felt compelled to squeeze in one more tutorial.

"This is a bone-in ribeye," I told her. "One of the most flavorful cuts you can buy. A regular rib eye is good, but the bone-in is better."

"What makes it so good?"

"The bone, of course."

Felicia eyed the 20 ounce steak, her lips forming a mischievous grin. She tried and failed to suppress laughter.

"What's so funny?" I asked her.

She shook her head. "Nothing."

"Come on," I urged her. "I like a good joke as much as anybody."

"It's not a joke. It's just..."

"What?"

"Bone-in," she finally said. "It sounds like a porno movie."

I had never laughed so hard in my life.

Being the manager and all, I stayed late and closed the counter at nine. Felicia had gone home at six, tired from her first day yet determined to pull an all-nighter writing a paper for her English class. The supermarket stayed open all night. I felt sorry for the stockers working the graveyard shift; those poor folks were just getting started.

I killed the lights over the empty display case and pushed through the swinging doors en route to the work area. The time clock was mounted to the wall beside the back door. I had just inserted my time card when Felicia came out of the restroom.

"Felicia? What are you doing here?"

She was wearing her white butcher's coat, making me think that

I... pushed through the swinging doors en route to the work area. The time clock was mounted to the wall beside the back door. I had just inserted my time card when Felicia came out of the restroom.

she had never left. Had she been back here all night? I was confused.

"What are you—"

"I finished my paper early. It was easier than I had thought. I got bored hanging out in my dorm room, so I thought I'd drop by and see what you were up to. You don't mind, do you?"

I didn't mind, not one bit. Still, her place of employment seemed a strange choice. Why not a coffee shop or bar? Hadn't she gotten enough of this place for one day? I certainly had. And why the butcher's coat? I couldn't wait to remove mine.

"I was just leaving," I told her.

"Maybe," she said, "I can change your mind."

Felicia opened her coat flasher-style. She wasn't wearing a stitch of clothes. I stood rooted to the floor, utterly mesmerized by her hot body.

"I want your bone-in, Mr. Snyder."

I didn't know what to say.

"I'm not kidding," she said.

"My bone-in, huh?"

"Yeah."

"In where?" I asked.

"My mouth, for starters."

The weariness I had felt after working all day evaporated with astonishing rapidity. A surge of energy flooded my system. I unzipped my workpants and whipped out my meat. Felicia let her coat fall to the floor. She eyed my cock, licking her lips hungrily as she squatted before me.

"Yummy," she said. "Just what I wanted."

Felicia grasped my shaft with her hand, holding it lovingly while basting the underside with her

tongue. She shellacked me good and proper, varnishing my pole with exquisite skill. My excitement escalated. I couldn't wait for her to devour me in earnest. Thankfully she was most eager to do the same.

I groaned delightedly as Felicia proceeded to suck my dick. Having lowered her hand between her legs, she pumped her head back and forth. I grabbed a handful of her brunette hair and pinned it atop her head, holding it there as I thrust my hips, burying my pole all the way to its base.

My engorged cap tapped the back of Felicia's throat. She gagged. Spitte oozed from her mouth, running down her chin in frothy rivulets, providing a warm lubricant for my fiercely jabbing cock.

I had every intention of pulling out and banging her cooze. After all, Felicia had said: My mouth, for

starters. The blowjob was to be a warm up for the main event. Unfortunately I let the delectable sensations get the best of me. Unable to restrain myself, I coated her tonsils with a large load.

"Shit." I panted, shaking my head disappointedly. "Sorry . . ."

"No need to apologize." Felicia wiped her glistening lips with the back of her hand. "I love the taste of cum."

"Yeah," I remarked, "but I wanted to bone you for real." Then I said, "Isn't that what you wanted? I mean, isn't that why you came back here tonight?"

"Of course. Being around meat all day made me nice and wet. Those big salamis and bratwursts, the mammoth soup bones; and, of course, all the talk about bone-in ribeye steaks. My panties were soaked."

"No kidding?"

"And another thing. I didn't throw up today. I wasn't sick at all. I just used that as an excuse to go to the restroom and masturbate."

"Wow, Felicia. I'm impressed. You're some actress. I really thought the sight of all that blood was making you ill."

"Hardly."

My cock had started to rejuvenate. Felicia took note. I thought it was about to happen, thought we were about to get it on. Imagine my disappointment when she turned away, put on her coat, and walked to the work table across the room. Felicia reached inside her purse, retrieved her smart-phone, and made a call.

The conversation didn't last long. I was tucking away my hard-

on when she asked me if I wanted to hang out with her and her roommate.

"Tonight?"

"Next year." Felicia rolled her eyes. "Of course tonight. Binx just scored some killer weed. Come on, Mr. Snyder. What do you say?"

"Sounds fun."

I followed Felicia to the college, struggling to maintain contact as she drove like a maniac. The tiny dorm room was filled with pungent smoke. Binx lay on the bed doing bong hits. A poster on the wall above her bed read EAT MORE PLANTS.

A bona fide vegetarian, I realized, wondering how Binx felt about Felicia's new job. Did she find it disgusting? Unethical? Depraved? All of the above? Perhaps Felicia planned on keeping it a secret. Or maybe she had told Binx that she worked somewhere else. After all, she was a damned good actress.

Binx, grinning and glassy-eyed, passed the bong to Felicia. "So this is The Butcher, huh?"

Felicia met my gaze with a coy smile. I joined her on the floor, wondering what in the hell I had gotten myself in to. I braced myself for Binx's vitriolic lecture on the evils of meat. But my fears were allayed when she said, "Don't worry, Butcher. We're not radical vegan kooks. Sure, we adhere to a vegetarian diet; but that's as far as it goes."

I searched Felicia's face. "We?"

"Sure thing, Mr. Snyder. I work at the specialty meat counter, yeah; but I wouldn't eat the stuff."

She proffered the bong and a lighter. "Now shut up and smoke."

One hit triggered a coughing fit. I hadn't smoked pot in quite some time. Felicia and Binx laughed at my

expense. I felt foolish.

Turned on by the weed, Binx lifted the hem of her sun dress. She had bony hips, spindly legs. She slid a hand beneath the waistband of her cotton panties. Her nimble fingers went to work. She sighed and writhed with pleasure.

Felicia slid across the floor to her roommate's bed. Binx continued to masturbate until Felicia pushed her hand aside and took over with her tongue. I got up and stood beside the bed. Having freed my cock, I stroked myself while watching Felicia eat Binx's pussy. A live sex show! Just for me! I was honored, to say the least.

And more than ready to bury my bone...

Binx had scooted back against the headboard, granting her roommate more room. Felicia, having hopped on the bed, remained on all fours, her spine angled, her face

buried between Binx's legs.

I raised Felicia's skirt. Then I pushed her panties aside. My movements were hasty, desperate, those of a man who could wait no longer. Felicia was tight and wet. Her creamy ass, much larger and meatier than Binx's, absorbed my savage thrusts, jiggling as I pounded her pussy. Binx and I made eye contact. She was lost in the throes of ecstasy, continuing to writhe as Felicia nibbled and sucked her clit.

Her mouth gaped, enticing me to fill it. I pulled out of Felicia and joined them on the bed. I lay down beside Binx, thrusting my cock in her face. She engulfed me eagerly. The slutty vegetarian treated me to a spectacularly sloppy blowjob, slurping and sucking raunchily as she polished my knob.

Felicia brought Binx to orgasm, my cue to withdraw and get back to humping my coworker's hot hole. Having fulfilled her pussy-eating duties, Felicia rolled over and lay on her back, raising her legs so I could properly peel her panties. I tossed her underwear over my shoulder, then skewered her collegiate cunt. I fucked her hard and fast, plunging my rod repeatedly until she came with a violent shudder.

My work done, I disengaged and jerked off in her mouth, painting her tongue with my sizzling seed.

Felicia worked at the specialty meat counter for the duration of her college career. It was the best four years of my life. I did my damndest to convert her and Binx to the ways of the carnivore, but they just wouldn't budge.

Diehard vegetarians, those two.

Until I whipped out my tube steak!

I tossed her underwear over my shoulder, then skewered her collegiate cunt. I fucked her hard and fast, plunging my rod repeatedly until she came with a violent shudder.

GIRLS NEXT DOOR

NATALIE

I'm not much of an indoor girl. I like swimming, climbing, riding, camping, and fucking in the great outdoors. There's nothing like inhaling fresh air as I inhale a cock into my mouth. I want him sitting on some rocks, and he's gotta be rock hard, too. And to get fucked outdoors? What's a bug bite or two when you're getting your pussy plowed by that cock. And, I look so cute with nothing but my hiking boots on!

MADISON

I waited for my boyfriend to come home from work, in my birthday suit. I love the intimate moments we spend together, and this is one of them. I'm glad I got to share them with you. First, we showered and I rubbed him up. He went down on me and got soap in his eyes. It was fun rinsing him off. Then we spent all afternoon fucking in various poses and photographed them. Now, that was F-U-N! Then the camera's batteries died, but we kept going and going.

GEORGIA

Friends with benefits. That's what we are. No commitment sex is the best kind of sex. No one's hurting anyone's feelings, and we can just be our selves. No strings attached, just great sex between friends. That's why I can experiment with anal sex. There's a security that he'll do it right, and he's doing it for my pleasure. I've had a couple boy-friends who didn't want to do it, even after I promised an all-night blow job. Can you believe that?

"Faster, rev that engine faster!" Vickie begged. Her skirt was above her waist; she wore no panties. Her legs were clamped around the leather seat of my motorcycle. She was about to come for the second time and I had yet to touch her.

How I turned a cherry into an animal begging me to fuck her

Vickie is a virgin. Seemingly untouchable. I've tried everything short of knockout drops to get into her pants. Nothing worked ... until I bought that motorcycle.

When I rode up to her house on it that first night, I thought it was going to put an end to our relationship. She immediately began a lecture on how a man my age should know how unsafe and childish my new toy was. I was pissed at her attitude. As a matter of fact, I didn't even cut the engine. I didn't listen to half of what she was saying. I like to see her green eyes flash when she's angry. She is a total, sexual creature as she stomps her cute little foot and fights to keep her beautiful blonde hair from her face during one of her tirades.

It was the most excited I had ever seen her. The nearest I ever came to getting her to give in to me was during one of her tantrums. I don't even remember what I did to make her mad.

We were in the swing on the front porch of her house. The house was dark; her parents were not

at home. That's why we were out in the open, so the neighbors wouldn't see her with a dude in the house with no one else at home.

Vickie is 20, but her folks still treat her like she's a kid. Anyway, she was screaming at me and pounding on my chest. I couldn't control my smile. All I could think about was her beautiful boobs bouncing under that light summer dress. I wanted so badly to kiss one of those strawberry-colored nipples.

Her body shook so hard that two of the buttons worked loose. The bra she wore was one of those uplift jobs. It hid the nipples, but that's about all it did. I could see most of those mouth-watering tits.

I don't know what got into but I reached out and touched the side of one of them. It was hot to the touch. Her breath caught in her throat. She blushed, but didn't pull back or remove my hand.

She sat there breathing through flared nostrils and licked her lips. I took advantage of her confusion, and leaned forward and touched her lips to mine. Her hand on the back of my neck pulled my mouth hard against her soft, sweet lips. Her tongue probed my mouth for the first time. To no one's surprise, my dick sprang to attention.

BLAIR-NTS-09

By then, my hand held her entire tit; the nipple stiffened under my touch. It was a night for firsts. I almost passed out at her next move. Her tiny hand reached tentatively out and touched the bulge in my pants. She slowly and gently caressed my throbbing dick.

My heart was in my throat as I let my free hand creep up her leg and under the yellow cotton skirt. Before that night, touching her knee was a crime. Suddenly, I was halfway up her hot thigh and her legs were easing open.

My hands shook and my palms were sweating as I inched closer and closer to the molten center of her womanhood. At the moment, I didn't want to fuck her. I only wanted to touch that sweet pussy. Just one little touch.

It seemed like forever but finally I made contact. The slippery silk of her panties was hot with her virgin juice. Those hot lips puckered and seemed to kiss my finger as I slid it up and down the soft hot groove. Her ass wiggled all over the swing.

She sucked my tongue deep into her hot mouth. Then she stiffened and pushed her wet pussy hard against my hand, and locked her thighs around my wrist. She was having an orgasm—probably her first.

It was more than I could stand. I shoved my twitching dick against her soft little hand. She squeezed it while I shot my searing cum all over the inside of my jeans. Once we calmed down, I tried to get her to talk about what had happened and how good it had been. She was too embarrassed. A few minutes later she claimed she had a headache and sent me on my way.

Since that night, I use the swing scene every

time I jerk off, which I seem to do more and more the longer I know Vickie. Every time we were together after that, I tried to make it happen again. But, Vickie was having none of it. She was back to Virgin City, clamping shut and thwarting any move I made to connect with her in the sweetest way.

The night I brought my bike by her place, she was fussing at me but her voice was getting softer and softer as her hips made the tiniest humping motion against the seat. Her eyes were getting that sexy glaze, just like on the porch that night.

Those dream tits were heaving in perfect unison. I felt my dick beginning to rise to the occasion. It excited me even to imagine that there was a chance of a repeat of the swing scene. I was gently revving the bike's engine while we sat staring at each other.

She gasped as I revved it a little more. "That feels so good," she purred. "Don't stop. I like it." I'd read stories of chicks who get off by riding motorcycles, but I never in my wildest dreams did I think my pure virgin Vickie would be one of them.

"Sit down over here," I urged, helping her straddle the buddy seat. Again she was wearing a light summer dress. I couldn't believe my eyes. When she threw her leg over the seat, I saw her from the waist down. She had no panties on. Her untouched pussy had me google eyed.

She sat straddling the seat. The vibrations were really getting to her. I slid one hand forward and touched her wet pussy as it slid back and forth along the leather seat. That sweet virgin pussy was literally gushing virgin girly cum. It soaked my hand and fingers.

I looked around. It was dusk and the street was deserted. I couldn't control myself. I unzipped my jeans and let my dick pop into view. She gasped but continued humping the seat. I reached out and picked up the slender virgin by the waist and lifted her onto my lap. My rock-hard cock rested in the groove of her pussy.

She reached around me and took over the operation of the throttle. My hands cupped her soft hot ass as I slid her up and down my stiff rod. On each upstroke, my dick came closer and closer to entering her virgin tunnel. Each time the head of my dick brushed the sensitive opening of her womanhood, she let out a tiny gasp. "Oh, yes!"

She was hot and ready. I wanted her first time to be special. I had to control the animal urge to lift her up and plunge my rigid cock into that sweet box to the hilt. Somehow, I managed to keep my wits about me and maintain some degree of control.

She came again and again as my cock moved faster and faster along her swollen pussy lips. I don't know how I held out so long. I've never wanted to come so badly in my life, but it had taken so long to get this sweet little virgin to this stage, I had to savor it. And I did just that.

After uncounted orgasms, Vickie released the throttle and put both hands behind my head, pulling my ear to her lips. "Take me," she purred. "I want it. I want you inside of me. Do it. Please, but please be gentle," she begged.

Our lips locked as I lifted her off the seat and held her poised over my steel-hard dick. Very slowly, I lowered her onto the pulsing pole. Minutes went by as I held her in midair with only the head of my hard cock inserted in the wet open-

ing. I could feel the cunt muscles squeeze it in a steady, tantalizing rhythm. I don't know how I kept from filling her cunt snatch with my hot cum right then and there. But somehow I seemed to have control I'd never before possessed.

Unbelievably, she had two more orgasms with only an inch of my member in her virgin vagina. She was a wild, writhing bundle of female flesh, and I was rapidly losing my mind.

"Fuck me!" she screamed. Her words sent rockets up and down my spine. My Vickie, my sweet Vickie, was now completely out of control. All she wanted in the whole world was my ready, steely dick. And did I ever give it to her.

I pulled her hips down against my cock with all my might. And I took that sweet cherry in only one stroke. She whimpered once before she began bucking and screaming. She bit my lip, drawing blood, but I was too far gone to feel any pain. It was blind lust, plain and simple. That was all I could feel.

Then it began, like a volcano erupting from my swollen balls. I'm sure I screamed when that first gush of sperm splashed into her steaming cunt. I humped and humped and humped. And I came and came and came. It seemed to last forever.

Needless to say, Vickie is now a woman, unlike any other woman. She loves to ride on my motorcycle. She especially likes to ride behind me and play with my dick while we race down highway. And I don't have to tell you how much I like riding Vickie. The best part of it all is when she makes me pull off the road and satisfy that always-hungry cunt.

That bike is one toy I'll never part with. Not as long as it gives such good vibrations!
